

PROCEDURES

- a. Persons affected must still meet the program eligibility requirements. When “low income” is a program qualification, the College must disregard any active duty pay, allowances, or disability or survivor benefits when determining income levels.
 - b. Priority of service is not used to bump a non-affected person who has already been approved for funding and enrolled into a program.
 - c. The College may set priority of service application deadlines consistent with acceptance and enrollment deadlines that all students must follow.
4. Qualifying Program – This includes any workforce preparation, development, or delivery program or service directly funded, in whole or in part, by the Department of Labor.
